

## TRANSPORTING YOUR HOLIDAY MEDICAL NUTRITION PRODUCTS AND EQUIPMENT

Nutricia Homeward can arrange for both your medical nutrition and ancillaries to be delivered to your home address.

We will deliver an empty 'travel trunk' for you to load with your medical supplies so you can transport them with the rest of your luggage. The travel trunks do not need to be returned to Nutricia Homeward and can be disposed of as normal waste.

You would need to liaise with your holiday provider and/or airline to discuss any requirements to transport your medical supplies.
