

IMPORTANT INFORMATION ABOUT YOUR DELIVERIES, EFFECTIVE FROM THE 17TH MARCH 2020

Nutricia Homeward is committed to making sure you have the right amount of enteral nutrition product and equipment to help you feed safely at home. Over the coming months if we can't contact you to carry out your usual stock check, we will deliver your supply on your usual delivery day.

Please can you be mindful we are experiencing a higher than usual number of calls. This means it might take us a little longer to answer or respond to your messages.
